

## **Job Title: Electronic Technician – Pinto Terminal**

### **Job Information**

The Electronic Technician is a permanent full time position with the AL Port Authority at its Pinto Steel Slab Terminal in Mobile, AL. It is a rotating shift position responsible for maintaining the electronic operating systems of the gantry cranes, barge hauls and associated equipment used to transfer cargo from ships to barges, truck and/or to/from ground storage.

This work involves advanced electronic work on automated systems in an industrial environment and NOT like that which a residential or building electrician would typically perform.

Work includes but not limited to installing, troubleshooting, maintaining and repairing electrical systems, apparatuses, fixtures, and electrical and electronic components of industrial machinery and equipment following electrical code, technical manuals, schematic diagrams, blueprints and other specifications and instructions, using hand tools, power tools and electronic test equipment.

Diagnosis malfunctioning systems and apparatuses such as motors, transformers, control devices, automated systems and makes repairs to restore systems to operational capability. Performs a wide variety of work associated with the electronic diagnosis and repairs to terminal equipment and facilities.

### **Minimum Requirements:**

- Knowledge, skills and ability to perform as an industrial electrician at the Journeyman level or military equivalent obtained through a combination of experience and training.
- Extensive knowledge of the occupational hazards and safety precautions for electrical trades and high voltage work.
- Extensive knowledge of the methods, practices and materials used in the industrial electrical trades.
- Extensive knowledge of the principles and history of electricity and of applicable electrical codes.
- Must have DC knowledge and experience
- Ability to work safely at heights of 100+ feet.

- Ability to work safely at all times of the day/night and in inclement weather

Pay scale is \$23.62 to \$26.44 per hour including shift differential.

Benefits include:

- Health and dental insurance at no cost for employee, spouse and dependent children.
- Life Insurance for employee, spouse & dependent children at no cost
- Employer 6% base contribution plus 50% matching retirement contribution
- 10 Paid holidays
- Time and half plus holiday pay for any holiday work
- Quarterly Safe Workplace Incentive payments
- Overtime pay for all work over 8/40
- Generous annual leave based on hours worked
