Delivery of Proposal Alabama State Port Authority Locations identified below in NOTES #1	Delivery of Work Alabama State Port Authority, Main Docks Complex Piers 2 - 7, Mobile, AL
--	---

Description of Work
<p>This Requisition solicits proposals for painting over and replacing logos and lettering on two sides of the Gottwald Crane, the Pier 3 warehouse and the Pier 7 warehouse at the Main Docks Facility in Mobile, Alabama. Work will be in accordance with the requirements stated herein, attached sketches and specifications, attached insurance requirements, and applicable State of Alabama Laws. The work consists principally of providing bonds, labor, materials, equipment, insurance, and supervision necessary for the work described in this package.</p> <p>All Contractors submitting bids are to carefully examine the site of the proposed work by appointment only and thoroughly review the contract requirements prior to submission of a bid proposal. Each Bidder shall satisfy oneself as to the character, quality, and quantities of work to be performed, and as to the requirements of the proposed contract. The submission of a proposal shall be proof that the bidding Contractor has made such examination and is satisfied as to the conditions to be encountered in performing the work and as to the requirements of the proposed Contract. All bidding Contractors must hold the proper license from the State Licensing Board for General Contractors, Montgomery, Alabama.</p> <p><u>A mandatory pre-bid meeting is scheduled for Thursday, September 1 at 11:00 a.m.</u> Meet in the Lobby of the International Trade Center (250 North Water Street, Mobile, AL). A site visit will be included.</p> <p>The work performed under this contract shall not commence until the Contractor has submitted the following in an acceptable form: a Performance Bond, a Labor & Material Bond, and a Certificate of Insurance. Performance Bond shall be in an amount equal to 100% of the contract price; Labor & Material Bond equal to 100% of the contract price; and Certificate of Insurance shall be as per the attached requirements and countersigned by a licensed resident agent in the State of Alabama.</p> <p>The Contractor will be required to complete the work under the Contract within 60 calendar days after receipt of a "Notice to Proceed". The work will have to be scheduled and performed in a manner that will not interfere with the operations of the facility ongoing in the immediate and adjacent areas. Work will start not later than 10 calendar days after receipt of notice to proceed. It is ASPA's intent is that work hours will be during normal day light hours.</p>

Description of Work continued

The Contractor shall comply with all Federal and State laws, local ordinances and regulations, and all orders and decrees of bodies or tribunals having any jurisdiction or authority, which in any manner affect those engaged or employed on the work, or which in any way affect the conduct of the work.

The Contractor shall place a competent superintendent on the Project who shall have experience in the work being performed under the Contract. The assigned superintendent shall have the responsibility for the day-to-day operations of the work and shall remain on the Project site while the work under the Contract is being performed.

Time is an essential element in the contract. As the prosecution of the work will inconvenience occupants of the building and interfere with business, it is important that the work be pressed vigorously to completion. Also, the cost to the Alabama State Port Authority of the administration of the contract, supervision, inspection and engineering will be increased as the time occupied in the work is lengthened. Therefore, exclusive of Sundays and national holidays, for each day that the work remains incomplete after the time specified, an amount of \$100.00 shall be paid by the contractor to the Alabama State Port Authority as liquidated damages for the loss sustained by the State because of failure of the contractor to complete the work within the specified time.

IMPORTANT NOTICE TO BIDDERS REGARDING EMPLOYMENT PRACTICES: Effective October 1, 2011, the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (“the Act”) requires that any business entity contracting with or providing any grant or incentives to the state, including the Alabama State Port Authority, certify compliance with the Act. All Bidders must certify such compliance by executing the enclosed “Certificate of Compliance” and returning it to the Alabama State Port Authority with your bid package. In addition, the bidding company shall submit with their bid evidence that the company is enrolled in the E-Verify system. The following E-Verify website link is provided for convenience: http://www.dhs.gov/files/programs/gc_1185221678150.shtm.

IMPORTANT NOTICE TO BIDDERS REGARDING ACCESS TO ASPA RESTRICTED FACILITIES:

ALL individuals doing any work on this project, including operators, supervisors, maintenance personnel, providing fuel, truck drivers, etc., must have a TWIC Card, ASPA Badge, and an ASPA Vehicle Decal with no exceptions. For information, ASPA’s access policy is provided on the ASPA website and in the links below.

Contractor shall adhere to the following requirements:

1. Submit product data and color samples to ASPA within 5 days of effective date of Notice to Proceed. The standard logo colors are Sherwin Williams “Loyal Blue” SW 6510 (dark blue) and “Jacaranda” SW6802 (light blue) with a white background. However, the owner may select different color combinations that better contrast with the background colors.
2. ASPA shall have sole discretion of color selection and will make selection within five working days of the date the contractor provides acceptable color samples.
3. Contractor’s Proposal item 3: Prep, prime and paint over three instances of existing “ALABAMA STATE PORT AUTHORITY” black lettering (south end Pier 3, west side of Pier 3 and west side of Pier 7 warehouses) each measuring 5 feet x 75 feet together with surrounding area. The total area painted, including the existing lettering, will be approximately 1000 square feet at each instance. Apply Sherwin Williams Pro Industrial Pro-Cryl Universal Primer. Apply two coats Sherwin Williams Pro-Industrial Multi-Surface Acrylic Semi-Gloss in color selected by owner.
4. Contractor’s Proposal item 4: Prep, prime and paint two sides of Gottwald Crane each measuring 7.5 feet x 25 feet. Clean and scrape loose paint. Apply Sherwin Williams Pro Industrial Pro-Cryl Universal Primer. Apply two coats Sherwin Williams Pro-Industrial Multi-Surface Acrylic Semi-Gloss in color selected by owner. This will be the background color for the new Port of mobile Logo on the Gottwald Crane.
5. Contractor’s Proposal item 5: Paint new Port of Mobile Logo 5.5 feet x 50 feet at the south end of Pier 3 warehouse in vicinity of existing lettering. Exact positioning on the building to be chosen by the owner. Contractor shall apply two coats of Sherwin Williams Pro-Industrial Multi-Surface Acrylic Semi-Gloss in colors selected by the owner for rectangular background, symbol and lettering similar to the example shown in Diagram A.
6. Contractor’s Proposal item 6 and 7: Paint new Port of Mobile Logo 5.5 feet x 75 feet at the west side of Pier 3 and the west side of Pier 7 warehouses in vicinity of existing lettering. Exact positioning on the building to be chosen by the owner. Contractor shall apply two coats of Sherwin Williams Pro-Industrial Multi-Surface Acrylic Semi-Gloss in colors selected by the owner for rectangular background, symbol and lettering similar to the example shown in Diagram B.
7. Contractor’s Proposal item 8: Paint new Port of Mobile Logo 6 feet x 19 feet on two sides of the owner’s Gottwald Crane. Contractor shall apply two coats of Sherwin Williams Pro-Industrial Multi-Surface Acrylic Semi-Gloss in colors selected by the owner for symbol and lettering similar to the examples shown in Diagram C.
8. Deliver to ASPA a one gallon container, properly labeled and sealed, of each color and type of finish coat paint used.
9. Substitute products shall not be used without prior written approval of the owner. It is the obligation of the contractor to prove that proposed substitute products equal or exceed the quality and performance of the specified products.
10. Comply with manufacturer’s written instructions for use of specified products.
11. Protect glass, other unpainted surfaces, adjacent equipment, plants, and vehicles from paint spray, splatter or drops. It is the contractor’s responsibility to prevent and repair damage to surrounding objects caused by the contractor’s activity.
12. Photos provided herewith are for the contractor’s convenience but are not intended to be a substitute for an in person site visit.

ALABAMA STATE PORT AUTHORITY
INSURANCE REQUIREMENTS FOR CONTRACT WORK

INDEMNIFICATION

The Contractor shall assume all liability for and shall indemnify and save harmless the State of Alabama and the Alabama State Port Authority, doing business as Alabama State Docks (ASD), and its officers and employees from all damages and liability for injury to any person or persons, and injury to or destruction of property, including the loss of use thereof, by reason of an accident or occurrence arising from operations under the contract, whether such operations are performed by himself or by any subcontractor or by anyone directly or indirectly employed by either of them occurring on or about the premises, or the ways and means adjacent during the term of the contract, or any extension thereof, and shall also assume the liability for injury and/or damages to adjacent or neighboring property by reason of work done under the contract.

INSURANCE REQUIREMENTS

The Contractor shall not commence work under the contract until he has obtained all insurance required under the following paragraphs and until such insurance has been approved by ASD, nor shall the Contractor allow any subcontractor to commence work until all similar applicable insurance has been obtained by the subcontractor or the Contractor has provided coverage for the subcontractor. The Contractor shall provide, at his expense, insurance in accordance with the following:

General Requirements (applicable to all policies)

All policies of insurance must be written with companies acceptable to ASD. The Contractor shall furnish to ASD certificates of insurance, signed by the licensed agent evidencing required coverages. ASD reserves the right to require certified copies of any and all policies. Each policy of insurance shall provide, either in body of the policy or by endorsement, that such policy cannot be substantially altered or cancelled without thirty (30) days' written notice to ASD and to the insured. Except for Workers Compensation, said policies will identify Alabama State Port Authority, its officers, officials, agents, servants and employees as Primary and Non-contributory Additional Insureds in connection with work performed for, on behalf of, or on the property of ASD including a waiver of all rights of subrogation.

General Liability (required for this project)

The Contractor shall take out and maintain during the life of the contract Commercial General Liability insurance, including Blanket Contractual and Completed Operations coverages, in an amount not less than \$3,000,000 for any one occurrence for bodily injury, including death, and property damage liability.

****NOTE* Proof that coverage for overdraft (paint overspray/sandblasting) coverage is included must be provided in writing prior to commencement of work.***

Automobile Liability

The Contractor shall take out and maintain during the life of the contract Business Automobile Liability insurance covering any auto in an amount not less than \$1,000,000 for any one occurrence for bodily injury, including death, and property damage liability.

Workers Compensation (Alabama W/C and USLH coverage are required for this project)

The Contractor shall take out and maintain during the life of the contract Workers Compensation and Employers Liability insurance providing coverage under the Alabama Workers Compensation Act in an amount not less than that required by Alabama law.

Where applicable, Contractor shall take out and maintain during the life of the contract insurance providing coverage as required by Federal statute, including but not limited to U.S. Longshoremen and Harborworkers' Compensation Act (USL&H), Jones Act, and Railroad Federal Employers Liability Act (FELA).
