

Alabama State Port Authority
Addendum to R&P or Specification Booklet

Project Name Blakeley Fender Repair

Project No. 11127 **Task No.** 01 **Addendum No.** 2

To: Prospective Bidders **Date:** 10/12/2022

The following items are hereby included in the bid documents by this addendum.

Item	Description
1.	The low friction pads to be replaced on the protector panel are called out in the Bridgestone specs as "High Density Polyethylene, 30 mm thick". This information is provided for reference only. It is the Contractor's job to verify what is present in the field and replace in kind.

Please indicate your receipt of this addendum by adding the addendum number in the appropriate place in your Requisition & Proposal or Specification Book.
