BID PURPOSE AND REQUIREMENTS

ALABAMA STATE PORT AUTHORITY (ASPA) – DUNNAGE REMOVAL SERVICE BID

The Dunnage Removal Service Contract shall be for a period of twelve (12) months effective April 10, 2023 and ending May 31, 2024. The ASPA reserves the sole right to renew this contract in one-year increments at no cost to the ASPA, for up to five (5) years. Should the county and/or city increase dumping and/or landfill charges, the ASPA reserves the right to review such county and/or city landfill cost increase(s) and if said cost increase(s) are determined unacceptable by the ASPA, the ASPA reserves the right to terminate and rebid this contract. The ASPA also reserves the right to terminate and/or amend this contract as needed, at will and at any time without cause and without penalty.

The Dunnage Removal Service Contract will also include providing services for the ASPA's single-stream Recycling Program. This contract will include specific requirements that dictate proper collection and disposal of recyclable materials. All of the ASPA's specific recycling requirements must be followed at all times, without exception.

The Alabama State Port Authority: reserves the right to reject any bid if deemed to be unsatisfactory to the ASPA; reserves the right to strike out any item(s) in the proposal; reserves the right to waive any defect or irregularity that is a violation of law and to make any modification in the conditions herein, including the separation of items of a class in making awards. In general, awards are typically made to the lowest, satisfactory *compliant* bidder, however, that is not always the case, as the ASPA reserves the right to select the bid that best suits the requirements of the ASPA when *all* factors contained in the bid are considered and which may not be the lowest bidder.

No allowance will be made for errors, either of omission or commission, on the part of the bidders. The ASPA must assume that bidders have fully informed themselves as to all conditions, requirements, and specifications before submitting proposals and they cannot expect to be excused or relieved from the responsibility assumed by their proposals on the plea of error. In case of error in extension of prices, the unit price will govern.
