

ALABAMA PORT AUTHORITY

Project Rail Rail Bid

Questions and Answers

To: Prospective Bidders

Date: 3-23-23

This Addendum and the following information becomes a part of the Bid Package.

Item	Description
	<ol style="list-style-type: none"><li data-bbox="337 810 1383 909">1. Industry standard is 10% shorts, will you accept this? We would accept 10% shorts in 39-foot lengths or 10% shorts in 80-foot lengths. Not a mixture of the two. The whole order must be 39-foot or 80-foot.<li data-bbox="337 915 1383 949">2. Is ASPA tax exempt. Yes<li data-bbox="337 955 1383 1054">3. Can the Port receive this material via rail car or does it need to be on a truck? Truck or railcar is acceptable. We interchange with CN, CSX, BNSF, KCS, and NS. 80-foot rails would be our preference.<li data-bbox="337 1060 1383 1094">4. Will ASPA unload material. Yes
