APA was very pleased with the quality of teams that responded to the Request for Qualifications/Request for Proposals. Multiple teams presented themselves capable of performing the work at a high level. APA has selected the teams deemed best to meet current needs and perform all aspects of the scope of work. APA expects that other opportunities will arise and hopes that each team will continue to pursue work with us in the future. The official award of the successful respondents will be issued upon approval of the APA Board of Directors and CEO. The financial proposals of the non-successful respondents are being returned along with a Notice of Non-Selection.

Sincerely,

Douglas C. Otto, Jr., P.E.
Chief Engineering Officer
